Dr. Akshay Kapoor
CESR PediatricGastroenterology,
Fellowship Pediatric
Gastroenterology
(IBDsubspeciality),
MD [Pediatrics],MBBS

REVIEWS

FROM MY NOTABLE CLIENTS

Jamie Shorter

GT Stewart Solicitors & Advocates

"I definitely recommend. It was really, really helpful. We're really happy with the report and the time that they were able to get it to us, it was quick. We really, really appreciate that. It was really good experience

RESEARCH

Ongoing research

1. Principal Investigator for an international multicentric IBD drug platform study
(PLATFORMPBCRD3001-16T-MC_AMAY_Janssen_Eli Lilly_Crohn's disease)
2. Principal Investigator for international multicentric study BMS IM047-023 Ozanimod for moderate to severe Pediatric Crohn's disease
3. Principal Investigator for international multicentric study Upadacitinib therapy - Paediatric Ulcerative Colitis - M14-658 Study
4. Principal Investigator for Long term non-interventional registry to assess safety and effectiveness for Adalimumab in Pediatric patients with moderate to severely active Crohn's disease-CAPE study
5. Principal Investigator for the pan UK PIBD Bio-Resource Study
6. Clinical research studies including looking at induction therapy responses in Crohn's disease (IPENS) and micronutrient deficiencies in IBD.

Previous research

1. Using cytokines as predictive biomarkers of response to biologics in newly diagnosed children

with Inflammatory bowel disease. The project has been awarded PRO-KIIDS grant from the Crohn's and Colitis Foundation, Canada.

2. Clinical research (retrospective) regarding Ileo-cecal resection in pediatric patients over a twenty-year period (1999-2019) with penetrating Crohn's disease under supervision of Dr Thomas Walters and Dr Jacob C. Langer at Sick Kids Toronto (accepted for publication)

3. Prevalence of Functional gastrointestinal disorders among cohort of government school children in Delhi. Clinical research done under a government scheme in selected government schools, which rated the prevalence of FGIDs~10%

4. Cohort study done to detect the prevalence of Cryptosporidium as a cause of recurrent abdominal pain in immunocompetent children and analyzing its clearance using Nitazoxanide

5. Prospective research study done as a part of my thesis on using Serum soluble Interleukin-2

receptor, Interleukin-6 and Tumor Necrosis Factor alpha as markers of Celiac Disease activity

ACHIEVEMENTS & AWARDS

- CRN Yorkshire Award for research excellence
- JAG (Joint Advisory Group of the Royal College of Physicians) certification as Colonoscopy trainer.
- FISPUGHAN Young Investigator Award for the 6th World Congress of Pediatric Gastroenterology Hepatology and Nutrition in Copenhagen 2020.
- FISPUGHAN World outreach Travel Grant to attend the 5th World Congress of Pediatric Gastroenterology Hepatology and Nutrition in October 2016 at Montreal Canada where paper on Pediatric Liver Transplantation was presented.
- Oral paper presentation in APPSPGHAN 2013 November in Tokyo on role of Biomarkers in Celiac Disease
- Oral paper presentation in APPSPGHAN 2013 November in Tokyo on Liver Transplantation in India
- Abstract on Experience from the first successful Liver Transplant Program in India selected for Oral presentation in the International Pediatric Transplantation Association World Congress in Warsaw July 2013.
- Awarded the Travel Award at the 4th World Conference of Pediatric Gastroenterology Hepatology and Nutrition in November 2012 in Taiwan.
- Travel award to attend the International Pediatric Transplantation Association Congress in Heidelberg (Germany) June 2012, where a paper on the first decade of liver transplantation in India was presented.

INSTRUCTION DETAILS

How to send me a Medico Legal Enquiry

Email my secretary with as much detail as possible about the medico legal expertise required.

We will respond to confirm if this is in my area of expertise within 1 business hour.

Here are my secretary's contact details and working hours

9.00 AM - 5.30 PM

Monday – Friday

Email: reports@britishmedicalexperts.com

This is how to send me a Medico Legal Instruction

Email reports@britishmedicalexperts.com with medical records and a formal instruction.

My expert witness service fees?

To save you time, we will provide you with a full , transparent, written proposal within 1 business hour of receipt of your initial enquiry.

My Terms and Conditions of service of expert witness services are available via the link below

<https://termsandconditions.britishmedicalexperts.com/>

Payment by bank transfer only.

Full terms available upon request.
