Current Posts

I currently work as a General Practitioner, a Medical Expert Witness and as a Medical Author of educational material for doctors and patients.

General Practitioner

I have worked as a General Practitioner since 1992. I worked as a full-time Partner in a General Practice between April 1992 and December 2004. Since January 2005, I have worked as a part-time General Practitioner, working mainly in Oxfordshire.

I now work an average of two days each week as a Sessional General Practitioner. My experience in General Practice continues to include all aspects of General Practice, including treating patients in Community Hospitals and Care Homes, and undergraduate and postgraduate training.

Medico-legal Expert Witness

I have twelve years' experience of providing reports for cases of alleged clinical negligence, including reports on behalf of both Claimants and Defendants and for the General Medical Council. I have provided over three hundred reports regarding alleged medical negligence for the General Medical Council and have provided evidence at General Medical Council Fitness to Practice Panel Hearings on a number of occasions.

I am a member of the Academy of Experts and the Expert Witness Institute. I regularly attend teaching and update conferences on all aspects of medico-legal work.

I have attended the Bond Solon courses on Report Writing and Court Appearance as an Expert Witness and have passed the Cardiff University Expert Witness Certificate. I passed the Bond Solon Civil Procedure Rules for Expert Witnesses Certificate in 2010.

I passed the Expert Witness Institute Medico-legal Report Writing (Core Skills) Certificate in 2013. I attended the Bond Solon Masterclass in Report Writing and Masterclass in Court Appearance in June 2012.

In June 2014, I attended the Professional Solutions' *Successful Communication at Expert's Meetings* and *Preparation for Giving Evidence* Courses. In March 2015, I attended the Professional Solutions' *Writing Expert Reports (Advanced)* Course.

Medical Author

I have been involved in writing educational material for General Practitioners and patients on a wide range of subjects for the last twelve years. Since July 2004, I have been a part-time medical author for the '*Patient*' website, writing clinical education material for both doctors and patients.
