Dr. James Sarkodieh

MBBS (Distinction) BSc (Sports & Exercise Medicine)FRCR (Fellow of the Royal College of Radiology) EDiMSK (European Diploma of MSK Radiology) Pg Dip MSK Medicine (Distinction), MEWI, FRSM

Dr James Sarkodieh is a Consultant General and Musculoskeletal Radiologist based at Barts Health NHS Trust, with more than a decade of consultant experience. He is a Fellow of the Royal College of Radiologists (FRCR) and holds the European Diploma in MSK Radiology (EDiMSK). His academic background includes a distinction in both his MBBS and Postgraduate Diploma in MSK Medicine. He is also a Member of the Expert Witness Institute and a Fellow of the Royal Society of Medicine (since March 2026).

He serves as an Honorary Senior Clinical Lecturer at the Centre for Sports & Exercise Medicine, Queen Mary University of London, and has specialist interests in paediatric, sports, emergency, and thoracic imaging. Dr. Sarkodieh is a published author and an experienced clinical educator with extensive involvement in postgraduate teaching and supervision. He has completed Safeguarding Children Level 3 training (January 2026) and has undertaken specialist training in imaging in suspected physical abuse (most recently June 2025), supporting his work in paediatric imaging and cases involving suspected skeletal inflicted injury (non-accidental injury). He is an NHS Consultant Appraiser supporting GMC revalidation and Co-Chair of REALM meetings, leading radiology events and learning forums that promote a culture of safety and continuous improvement.
