Expert Witness Medicolegal reports

- Musculoskeletal including Trauma Radiology
- Nuclear Medicine (Radionuclide) Radiology
- Radiology Governance and Management

Medical legal referrals for scanning are usually judged by how much reading and preparation is required, in excess of routine referral letter:

1. Rate for preparing a report including reading medical reports, Hospital case notes, GP notes, and all related scans is **£350 per hour** - this is extra to the cost of any new additional imaging report or addendum which depends on length, research etc.
2. I aim to provide a report in 2 weeks of the date all material including access to images made available. Date of imaging on site varies depending on site and availability following receipt of material and instruction from you.
3. The report fee will be provided pre-acceptance. Separate arrangements can be made for deferred payments on case-by-case basis.
4. Invoice will be issued and should be paid within 60 days.

Legal conferences / court appearances are itemized separately and are charged as follows:

1. Expert Witness Report: £350 per hour (including reading and preparing of report)
2. Court appearance: All costs exclude any travelling expenses
Preston: £2000 per day
Manchester: £2500 per day
London: £3800 per day
3. Legal conference: £550/h (+ travelling expenses)
