

# Jeff Nelken, BS, MA

## Food Safety and Accident Prevention Expert-Witness/Consultant

Are you a lawyer or insurance carrier seeking an experienced food safety and accident prevention expert? Has someone experienced illness, disability, or even death because of negligence in your client's establishment?

Having the right expert can help, make or break your case. My extensive training, working for both, plaintiffs and defendants, will give you the advantage.

As an expert witness, I offer unbiased opinions, reports, testimony and consultation with over 35 years experience in the hospitality and food industry.

### MY FOOD SAFETY AND ACCIDENT CASES HAVE INCLUDED:

- Standards of Care
- Health Department Inspection Analysis
- Foreign Objects
- Foodborne Illness
- Sushi
- Equipment related issues
- Salmonella/Reiter's Disease
- Production and Processing Accidents
- E.coli 0157, Norovirus, Listeria, Campylobacter
- Bums, FOH and BOH
- Slips, Trips and Falls
