

EXPERT - Elevator & Escalators

TIMOTHY MARSHALL Elevator Inspector & Consultant

Timothy is a seasoned expert in the elevator industry, with a career spanning over three decades. As an industry leader, Tim specializes in elevator inspections and consulting. His extensive experience includes:

- Deep knowledge of jurisdiction specific regulations
- Providing service as an IUEC mechanic and major project manager.
- Inspection and Accident Investigations
- Elevator Traffic Study and Analysis
- Legal Expertise

His comprehensive knowledge covers all aspects of elevator systems, from modernization to maintenance. With Tim's in-depth expertise, you can trust that your elevator needs will be addressed by a true industry professional, using Maintenance Evaluations to help guide customers with both long-term capital planning and short term repairs to help provide safe, reliable, and code compliant elevators and escalators.
