

WILGEO LTD

Expert Witness

PHILIP WILSON

BSc CEng FICE PPL(FAA)

**Consultant Geotechnical and
Geo-Environmental Specialist**

Phil Wilson offers geotechnical expertise and professional expert witness services in legal claims and disputes.

Phil has over 40 years experience in ground investigation and geotechnics and is an expert on all aspects of ground investigation and interpretative reporting both in the UK and overseas.

Working alongside solicitors, barristers, consultants, contractors and regulatory bodies he provides advice and expert witness statements for a variety of claims from unforeseen ground conditions and subsidence to foundations, earthworks, stability of slopes and retaining structures.
